

Yardi Voyager®

VOYAGER COMMERCIAL

Simplify property management and drive business performance with industry-leading software

Manage commercial properties, tenants and finances in one mobile platform, optimized with a modern user interface. Through powerful automation and comprehensive tools in a single database, Yardi Voyager gives you control of the daily details and the bigger picture for your portfolio.

STREAMLINE ACCOUNTING

Meet accounting and regulatory requirements, use enhanced account trees and drill through to transactions from bank reconciliations.

AUTOMATE PRODUCTIVITY

Drive efficiency with automated workflows and collaboration tools and include related training.

EMPOWER REPORTING

Get interactive dashboards with custom financial analytics and transaction filters and email reports with a single click.

FEATURES

VOYAGER COMMERCIAL

BETTER USER EXPERIENCE

Reduce staff turnover with a system that automates recurring tasks and improves collaboration. Use role-based dashboards to view management tasks and performance across your portfolio.

PROPERTY & TENANT MANAGEMENT

Manage payments, communications, work orders and asset maintenance along with tenant compliance and COI tracking in one system.

EASY LEASE ADMINISTRATION

Set up complex office, industrial and retail leases and amendments with an automated workflow including option management and encumbrance tracking.

FULL FINANCIAL MANAGEMENT

Leverage a complete and configurable accounting system that meets applicable GAAP and IFRS requirements. Simplify setup of complex expense recoveries and automate CAM statements.

REAL-TIME ANALYTICS

Gain access to real-time analytics, dashboards, documents and data to enable smart decisions and ensure business-wide transparency. Monitor your portfolio's performance with enhanced reporting and custom reports.

Our industry-tested and easy to use solution has your entire business covered on a single platform with a fresh new look.
